## PREFACE

The year 1964 will set an important part of our lives behind us and will mark a momentous point in our careers. We must now begin to mold our own lives and to assume the responsibilities of adulthood. Our education has given us the perspective to view the complexities of our world. From this perspective, we must gain the insight to meet the challenge of rapidly shifting world conditions. High school has given us the basis from which to achieve success; the measure of our success will be shown in our ability to fulfill the responsibilities we accept.

## THE INDIAN

RAYMOND S. LOCKE

## PRINCIPAL'S MESSAGE

Your future is an experience yet to be lived. What you make of it depends upon the attitude you take with you. Will you be satisfied to get by, or will you set out upon the pursuit of excellence in whatever you undertake to do?

As you continue to clarify the roll of education in your lives, may you give as much consideration for what should be as well as for what is.

Congratulations and the best of everything for each of you.

*Raymond S. Locke*

## CLASS HISTORY

In September 1960, we were freshmen entering Arlington High School. We were filled with eager anticipation. After a welcoming speech by our principal, we, on our first day, hastened to explore the vast recesses of the edifice. There to greet us was our new language laboratory in Room 97. One of our first duties as members of the high school was to watch our football team defeat Gloucester, the new Thanksgiving Day rival. In December, we enjoyed the Dramatic Club's presentation of *A Connecticut Yankee in King Arthur's Court* by Mark Twain, as a prelude to Christmas vacation. Startlingly, one-half of our first year had already elapsed. During the spring, the science club completed the weather station; the hockey team went to the State Tournament; and our track team was the division champion. Then came the Gilbert and Sullivan Club's production of *The Mockingbird* and the second annual science fair, which sent four students to the regional and state science fairs. Admirable records were also made by the boys' baseball, the girls' softball, and the girls' tennis teams. So ended our first year at Arlington High School.

Waiting to greet the eager sophomore class in the fall of 1961 were the new French Club, the math team, and the revived Debating Club. During the year, our football team, having completed its first undefeated season since 1949, was rewarded by the generous townspeople with a trip to Florida. In December, the Dramatic Club gave a splendid performance of Thornton Wilder's *Our Town*. The fleet-footed track team took first place in regional competition to keep pace with the fleet-minded math team that placed first in their division. After Christmas vacation, we realized, with a start, that our second year at the high school was half completed. Later, March brought the third annual science fair, which produced three regional competition winners. In April, the Gilbert and Sullivan Club staged a *Blue Star Revue*, which was acclaimed by all. A fighting science quiz team aided the victorious baseball, softball, and tennis teams in rounding out our sophomore year.

Returning in the fall of 1962, we, as juniors, immediately began to study for the October Preliminary Scholastic Aptitude Tests and to cheer the football team to a victorious season. In November, we sent delegates to the annual Allied Youth Conference at Buck Hill Falls in Pennsylvania. They brought back many new dances and interesting ideas for social activities. When December arrived, with it came the Dramatic Club's production of *A Midsummer Night's Dream* by William Shakespeare. Returning to school after our Christmas vacation, we cheered our basketball and hockey teams through victorious seasons. Soon afterward followed the Gilbert and Sullivan Club's presentation of *Iolanthe* by Gilbert and Sullivan. Meanwhile we were studying hard for the National Merit Scholarship Examinations and the Scholastic Aptitude Tests. To alleviate our woes, the junior prom in all its splendor was held at the Hotel Continental in Cambridge and enjoyed by all who attended. Thus we ended our junior year and began our last summer as high school students.

After our exciting summer vacation, we returned, in the fall of 1963 to follow the leadership of our new principal, Mr. Locke and to meet the difficult task of being seniors. We soon learned that five members of our class had been selected as semi-finalists and nine had won honorable mentions in the National Merit Scholarship Competition. After having again sent our Allied Youth delegates to Buck Hill Falls, we sat back to watch our football team meet Gloucester on Thanksgiving Day. December brought the dramatic club play, *Teahouse of the August Moon*; and spring, the Gilbert and Sullivan Club's production of *The Gondoliers*. During each appropriate season, we cheered for the hockey, the basketball, and the baseball teams, as well as the girls' softball and tennis teams. In the academic field, the math, science, debating, and chess teams all met challenging opposition. Throughout the spring, seniors were joyously receiving acceptances from colleges and companies. Then came the senior prom, class day, and the finale, graduation. All too soon our high school careers were over and we were about to enter a new world either in places of employment or in institutions of higher learning. To guide us, we did have pleasant memories of Arlington High School, memories that will not soon fade away.

*Then with the shout  
that school is out  
And studies done,  
we lifeward run.*

## NATIONAL MERIT SCHOLARS

The National Merit Scholarship Corporation is an organization concerned solely with scholarships and as a result of an intensive testing program, five Arlington High School students were selected as semi-finalists for this program. Their distinguished performance on these nationwide selection tests has brought great honor to the Arlington High School.

*Row 1: F. Day, W. Roberti. Row 2: K. Walters, W. Holland, B. Perry.*

Ten additional students have been awarded Certificates of Merit by the National Merit Scholarship Corporation for excellent performance on the selection tests.

## ALLIED YOUTH

B. Dannenberg, *Vice-President, Publicity*; G. Suprenard, *Vice-President, Socials*; R. Brooks, *President*; R. DeRusso, *Vice-President, Projects*; D. Mahoney, *Vice-President, Membership*.

Allied Youth, the organization dedicated to having fun without alcohol, had another profitable year under the new advisor, Mr. William Phelan. Our post, number 813, with a membership of over three-hundred, participated in social and educational activities. The post sent fifty delegates to Buck Hill Falls, Pennsylvania, for the Annual International Conference and attended the Northeast Conference in Vermont. They had speakers, panel discussions, and a student guide for freshmen at the beginning of the year along with dances and their annual fashion show. All these factors helped to make a good year for the Allied Youth of Arlington.

# CHRONICLE

The largest active organization at Arlington High School with over four hundred members, who produce the school paper, the *Chronicle*, had a most successful year.

This year, under the fine supervision of our faculty advisor, Mr. John Sampson, the school newspaper had record sales with over eleven thousand papers sold. In December, a twelve page issue was printed.

Following tradition, the *Chronicle* was published monthly from October to May; each edition contained the unique features: Aunt Minerva, Mr. or Miss X, and Scene Around along with outstanding sports coverage, school news, and many unusual articles.

The paper's yearly activities were climaxed at the *Chronicle* banquet at which time the identity of Aunt Minerva was revealed and the new staff was introduced. The *Chronicle* had had another successful year.

## CHESS CLUB

Arlington High's Chess Club meets regularly under Mr. Sampson's supervision. For many years, Arlington has fielded a team in the Greater Boston Interscholastic Chess League. The team has recently been very successful in winning the league title during three out of the last four years. The Arlington Chess Team is leading the league again this year. The club has been able to achieve these successes because of the devotion to the game of a small but enthusiastic following. This attitude can be explained perhaps by these words of Tarrasch:

"Chess, like music, like love, has the power to make men happy."

# DEBATING CLUB

Harris B. Siegel  
*Coach*

Susan Walsh  
*President*

The 1963-1964 Debating Club earned itself a place in the chronicles of Arlington High School. After obtaining membership in the National Forensic League and the Massachusetts Secondary School Speech League, the members of the club entered into interscholastic debates and tournaments. As members of the Greater Boston Debate League, they faced these verbal battles with spirit and determination. Throughout the season, the feelings of sportsmanship and fair play were their outstanding qualities.

The interscholastic debates made members aware of the intricacies involved in formulating impenetrable arguments. Long hours in the library taught these debaters how to find needed material and to acquire many other skills which will be useful to them later in life. Through attendance at debates other than their own,

the members learned to practice the fine art of oratory and to analyze a debate topic successfully.

The Club also initiated an invitational Debating Tournament, (six schools participated) as well as continuing the Annual Oratorical Contest. The topic this year was, "Resolved: The United States Should Adopt A Policy of Strong Civil Rights Legislation."

Under the able guidance of their President, Susan Walsh, the team achieved a victorious season and many tournament victories, including the Middlesex County Championship which put two members on television. A

hearty "well done" to all the departing Seniors: Richard Bonzagni, Frances Day, Karen Derian, Loraine Evans, Irene Miller, Claire Morrison, Richard O'Neil, Ann Ottoson, Thomas Shaughnessy, and Tim Young.

## DRAMATIC CLUB

During the 1963-1964 season, the Arlington High School Dramatic Club proudly presented "The Tea-house of the August Moon." Would anyone who either saw the play performed or took part in its presentation ever forget the colorful scenery, the gay costumes, or the friendly goat who wanted '20 Star Batata?' The long weeks of preparation seemed to fly by all too quickly. There were tickets to be sold, signs to be made, and lines to be learned.

After the December 6th and 7th performances, activities associated with the Dramatic Club seemed to be at a standstill; but not for long. Early in February, a feeling of anticipation, as the time for the annual Drama Festival neared, brought excitement, rehearsals, and more hard work to the members interested in the friendly competition among the high schools from all of New England. The play presented by the Arlington High School Dramatic Club was "Androcles and the Lion," a comedy by George Bernard Shaw.

Without a doubt, this year has been one of the most rewarding and most active years for the members of the Arlington High School Dramatic Club; one of which every one can be duly proud.

## PROJECTION CLUB

*Row 1: R. Fiscale, J. Prestigiovanni, E. Downing, H. Gates, P. Curtin, President; J. Byrne, D. Rivers, E. Sullivan, R. Biondo, J. Cook, L. Warner, Mr. Charles Fagone, Supervisor.*

The Projection Club was originally established by Mr. Charles Fagone for the purpose of increasing aid to teachers and of providing a greater knowledge of audio-visual materials for students.

This year, the members of the Projection Club have succeeded in assisting the teachers who wish to use films and film strips and other audio-visual aids to further the course of study and to add clarity to the subject at hand. The Projection Club has also helped several other clubs and organizations within the school

system and has kept up with the latest materials and techniques in the use of audio-visual materials for the enrichment of the curriculum.

The club officers, Paul Curtin, President; Dana Wallace, first Vice-President; Donald Rivers, second Vice-President; and Edmund Sullivan, Supervisor, have helped the faculty and its students in audio-visual education by their handling and care of the Projection Club equipment.

*Row 1: P. Curtin, A. Ottoson, D. Buffum, Treasurer; F. Callahan, 1st Vice-President; J. Ellis, President; J. Rizzo, Recorder; W. Holland. Row 2: R. O'Neil, A. Jokinen, B. Perry, P. Brittan, T. Woodbury.*

## LIBRARY CORPS

The Library Corps is an organization composed of about forty students who assist the Librarians of A.H.S. The members are familiar with the general operations of the library and aid fellow students in utilizing library facilities.

This year, the Corps is especially proud of the newly established book store which serves both students and teachers. One of the outstanding activities of the club, moreover, is the annual book fair in which all members participate. Indeed, being a member of the Library Corps at A.H.S. is both worthwhile and fun.

## MATH TEAM

After the math team had participated in three out of four matches, we members looked forward to winning first place in our section. We suffered a slight setback in losing the third match; however, with our accumulated 109 points, we still led second place contestants, Winchester and Haverhill, by five points.

There are four sections in the math league. Our section of eight schools meets four times during the year. All eight teams, each of which is composed of five members, compete together in six rounds. At the end of the year the top ten teams of the league have a play-off. There is no doubt that Arlington High can again be very proud of the accomplishments of its math team this year.

## INTERNATIONS CLUB

M. Sanchez, M. Riesco, E. Ryan, *Secretary*; C. Filosi, *Vice-President*; I. Jingsts, L. Rapport, S. Racheotes.

The Internations Club, since its inception six years ago, has achieved remarkable success in enlightening its members and in giving to them an awareness of our constantly changing world.

The club's program has been created with the purpose of educating its members about the habits and the customs of people in many and varied lands throughout the world. Through films and lectures, the club has been able to understand the environment of the inhabitants

of various countries; such as, Germany, West Africa, France, Spain, and South America.

Through its program, the members of the Internations Club have come to realize, more than ever, the necessity of educating the youth of America in developing an understanding and knowledge of foreign lands as essential to the security of our nation and peace throughout the world.

M. Sprinkle, *Secretary*; N. Berube, *Treasurer*; W. Holland, *President*; B. Perry, *Science Fair Chairman*; G. Sullivan, *Vice-President*; W. Tomassetti, *Weather Station Chairman*; A. Ottoson, *Librarian*.

## SCIENCE CLUB

The aim of the Arlington Senior High Science Club is to improve the scientific knowledge and technique of its members. During this year the club has investigated such phenomena as inertia, atmospheric tides, and reversible reactions. The Weather Station Committee continued taking readings, as it has for several years; in addition, the committee renovated their aging station. The trip committee has conducted several trips to local scientific installations.

The highlight of the scientific year at A.H.S. is the Annual Science Fair. In the past it has been well received by adults as well as by students. Many of the better projects have been submitted to regional and state science fairs at which some have won awards. Several members have also placed in the exclusive Westinghouse Science Talent Search.

There is no doubt that the Science Club is a very worthwhile group in our school.

## EARTH SCIENCE

The Earth Science Club is an activity designed to create and study various instruments used in astronomy, rocketry, meteorology, and geology. Field trips, speakers, and workshops are offered under the direction of Mr. Meserve.

## SCIENCE TEAM

Arlington is again participating in the Greater Boston Science Quiz Series sponsored by the Northeastern Section of the American Chemical Society. The league consists of high schools located in nine cities and towns around Boston.

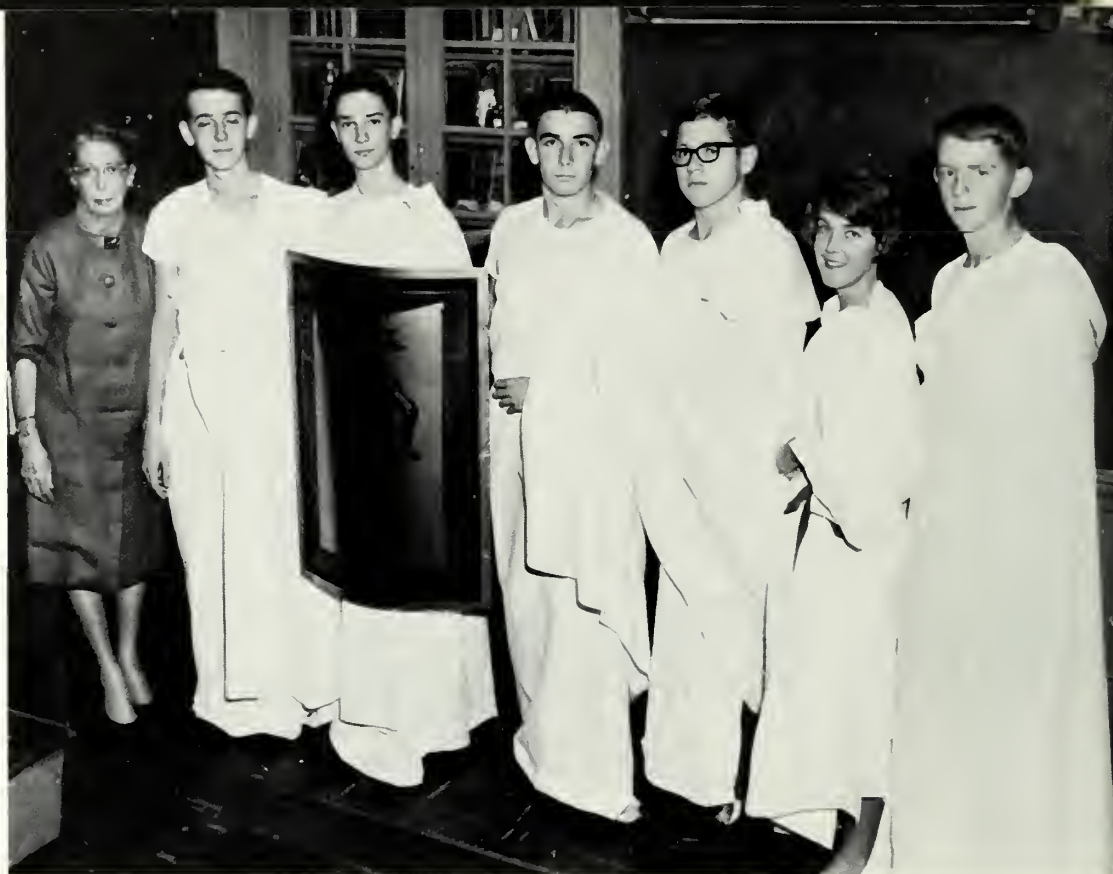

Patterned somewhat along the lines of the College Bowl television series, the quizzes are designed to stimulate interest in the area of science among students. In addition, the quizzes provide an opportunity for students to exchange ideas in the field of science.

The Science Quiz Team is captained by William Holland. Other members include Donald Buffum, James Fratello, Jeffrey Kossak, Bryce Perry, William Robertie, Gerard Sullivan and Stanley Zdonik. Mr. Manning serves as Faculty Advisor.

In the first quiz of the schedule, Arlington bested Brookline by the score of 250 to 230, a match decided by the final question of the quiz. The next two opponents will be Watertown and Newton High Schools.

## LATIN CLUB

Miss Dorothy Rounds, *Instructor*; D. St. George, *Socius Ludorum*; K. Walters, *Consul Secundus*; E. Sarton, *Consul Primus*; K. Eklund, *Socius Ludorum*; J. Wood, *Scriba*; P. O'Leary, *Socius Ludorum*.

### MOTTO: NIL MORTALIBUS ARDUI

This year's Latin Club of thirty-five Latin IV seniors was the largest in the history of Arlington High. This enrollment clearly shows the new interest for the classics in high school today. The Latin Club has affiliated itself with the Junior Classical League, a nationwide organization composed of Latin and Greek students.

In spite of the great number of participants, the Latin Club undertook many projects and excursions; notable among these were visits to the movie *Cleopatra*, to the Museum of Fine Arts, to Widener Library, and to the Fogg Museum.

In addition to the annual Latin Club banquet at the close of the year, the members also produced an assembly consisting of Latin songs, a play, and slides. Since each member has contributed to this project, it has constituted an enjoyable and interesting experience for all of them.

All their work, however, would have been in vain without the invaluable assistance of Miss Rounds who sponsored the Latin Club. All the members, therefore, wish to express their sincere gratitude for her able support and invaluable help.

## STUDENT COUNCIL

Arlington High School's Student Council, consisting of twenty-four members chosen directly by their classmates, continued this year in its traditional task of acting as a link between the faculty and the student body.

Besides its normal duties of collecting for the Red Cross, selling school book covers, and serving at the October Faculty Tea, this group placed itself at the disposal of the new principal, Mr. Locke, to carry out

any services which he desired.

Acting as guides for the Parent-Teacher Visitation Night and continuing its policy of accompanying new students for their first week at A.H.S., Student Council displayed Arlington High's usual hospitality.

All of their efforts, however, would have been unproductive without the leadership and the efficiency of Miss Binnig.

## BEDFORD HOSPITAL VOLUNTEERS

Every Tuesday a group of students perform a host of duties at the Bedford VA hospital working with nurses and technicians in social service, manual arts therapy, educational therapy, the library, the pharmacy and the important rooms set aside for occupational therapy. Others do clerical work in the dental laboratory and in the hospital's general office.

This experiment has turned out to be very satisfactory and important according to Mrs. Turner who has charge of the volunteers and Miss Rebecca Glassman, the hospital's chief social worker.

## JR. RED CROSS

Martha Shapiro, Richard O'Neill.

Each month, two representatives from Arlington High attend a meeting of the Boston Chapter of the American Junior Red Cross. Arlington is only one of sixty public, private, and Catholic high schools in the Boston Chapter. Some representatives come from twenty-five miles away to attend the monthly meetings.

These meetings are designed to acquaint the representatives with the projects being carried on by other communities and countries. The representatives learn about the needs in their own and other communities, and they decide on projects to aid communities. One of the main projects in which the representatives take part is the Red Cross Bloodmobile. The representatives also help to put together the News Letter, which tells of the activities of the Junior Red Cross.

This year, Arlington High's representatives were Richard O'Neill, also vice-president of the Boston Chapter, and Martha Shapiro. In addition to the annual collection of money for the Red Cross, there was a collection of used paperback books and magazines for hospitals. Since this was the first year that such a project had been set up, the three boxes of books and magazines collected amounted to more than had been expected and came as a pleasant surprise. The books and the magazines were sent as a late Christmas present to the Boston V.A. Hospital.

Arlington High School is indeed, happy to join in the activities of the Junior Red Cross.

## LANGUAGE LAB

An integral part of foreign language learning at Arlington High School during the last few years has been the language laboratory. The class of 1964 will remember with mixed emotions time spent in the laboratory under the able direction of Madame Spahr and then of Señor Barrera. This year the laboratory has been under the guidance of Mrs. Fitting. Several innovations have been made to make the laboratory a more effective instrument for learning and a more interesting educational experience.

The Language Department at Arlington High School has as its objective in the use of the language laboratory the improvement of pronunciation and comprehension. There is no doubt that these two aims are being achieved with some degree of success.

## FUTURE HOMEMAKERS OF AMERICA

C. Rugg, *Vice-President*; M. Riley, *President*; M. Nitchie, *Treasurer*; P. Widder, *Historian*; M. Andersen, *Secretary*; Mrs. Ilmi S. Jones, *Instructor*.

The school year of 1963 and 1964 marked the second year for the club, Future Homemakers of America in Arlington High School. There are ninety-eight members; and meetings are held monthly on the last Wednesday at the close of school.

The purpose of the organization is to promote growth and interest in personal, school, community and national affairs by being useful and helpful to others. At the first meeting of the year, Mr. Locke, the principal, gave a talk on "Character Development." This was followed by an "Open House" for eighth graders, their teachers, and guidance personnel. The aim of this meeting was to acquaint junior high students with the courses available in home economics as well as to give them a glimpse of the activities of the home economics laboratories and to inform them about the organization,

Future Homemakers of America.

During December the work of the group involved making corsages for the inmates of the Arlington nursing homes and collecting donations of old and discarded toys for the New England Home for Little Wanderers. The members also contributed funds for a ping pong table that was sent to the New England Home for Little Wanderers.

In January we were privileged to have a visit from some students from foreign countries who demonstrated the making of some dishes representative of their country's food, and told about their customs.

The members of the organization Future Homemakers of America have had a very successful and interesting year.

## STAMP CLUB

The Arlington High School Stamp Club is organized to promote the interest of its members in becoming better acquainted with the hobby of philately. Its members can exchange duplicate stamps, learn of new issues, and obtain a general idea of how history and current events are reflected in the 4000 or more new stamps which are regularly issued each year. Stamps by new countries being created, old countries becoming extinct, and colonies granted their independence adds to the interest and accumulation of knowledge. Philately is truly a hobby with rewarding results.

Edmund J. Lewis, *Director*

As sophomores we entered Arlington Technical and Vocational High School with our eyes hopefully set toward the future. Our dreams of instant success were soon shattered by the reality of hard work. At this point the school was extended to a four-year program which made things even more difficult. Although we felt that our sophomore year would never end, it finally did and then came a needed rest in the form of a summer vacation.

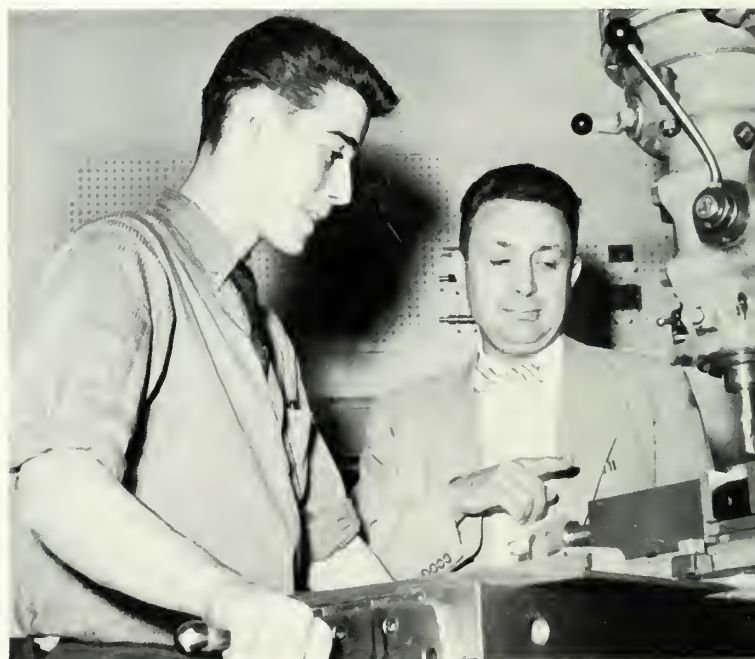

Returning as juniors we were a much more serious and ambitious group. Having gone through the drudgery of learning the basics of our various fields, we then moved in to an even more complicated study program. As the end of the year approached, the Prom was a fitting climax to an unforgettable year.

As seniors, we again looked toward the stars. The ambitions we had as sophomores have come closer to reality. We are now mature enough to realize that the end of our high school career will only mark the beginning of an uphill fight to achieve our goals in the working world. Some of us will succeed and some will not. However, we shall be forever grateful for the training and the guidance we received.

## MANUAL ARTS

Automation, as we all know, is playing a very important part in our society. With all the changes that are taking place today, the Manual Arts Department also had to make changes in order to keep abreast with industry. Since the colleges are spending less time now teaching basic techniques of mechanical drawing than they had in the past, our department as a result had to gear our program to meet this need. The students are now getting a wide background in mechanical drawing in order for them to undertake the advanced work successfully in college.

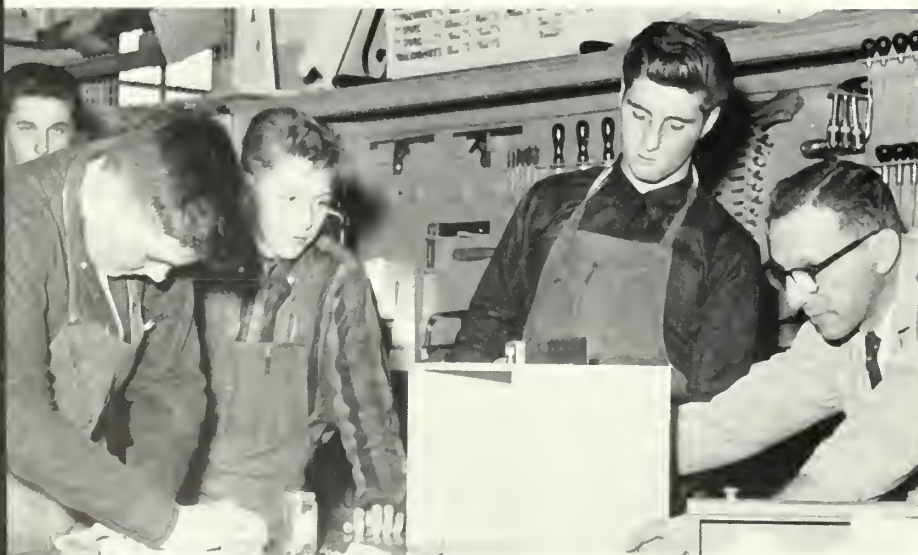

In the days when home industry flourished, children were required to take part in the construction and the assembly of products. They watched and aided adults making many things and as a result learned through the making of things. Today children have very little opportunity to familiarize themselves with making things in the home. The Manual Arts Department tries to furnish students the opportunity to learn through the planning and the constructing of interesting specific objects. Pupils have the opportunity to work with textiles, metals, electricity, wood, ceramics, photography, leather, printing, and other materials, and to obtain a knowledge of common tools and materials. We, in our school, are very proud of the Manual Arts Department and its achievements.

## ORCHESTRA

The Arlington High School Orchestra has developed into an organization that performs with skillful musicianship.

The orchestral selections performed at the "Tea House of an August Moon," the dramatic club show of 1963, brought unusual commendation both from the audience and the cast alike. Performing at both junior high schools, at assembly programs, at an evening concert, and particularly at the Gilbert and Sullivan Oper-

etta, "The Gondoliers," the senior orchestra members found their year to be busy and very enjoyable.

The Arlington High School Orchestra is proud to have had as its president, Paul Brittan, who was especially active as a soloist and performer with the Boston Youth Symphony. Under the direction of both Mr. Laman and Mr. Einzig we can all sincerely express our appreciation for their patient guidance and direction.

## GIRLS' GLEE CLUB

There are two Girls' Glee Clubs at A.H.S. which meet under the direction of Mr. McElhiney. Both clubs occasionally have the opportunity to perform before the student body or at the junior high schools. Active participation in all Glee Club rehearsals and performances is necessary in order to join the Girls' Choir. The 1963-1964 year was a very successful one for the members of the Girls' Glee Club, but they are looking forward to many more satisfying years during their high school careers.

## BAND

"Home Band of the Brave"—that's the slogan of our marching band. The Arlington High School Marching Band together with "Uncle Sam's Hat", his "dancing daughters" the Samettes, and the Majorettes represent the school and the community at every half-time ceremony during the football season.

Our band has won the distinction of being "the" show band among all others representing competing schools during the 1963 and 1964 season.

As seniors, we can well appreciate the tremendous efforts of Mr. Laman, Band Director, and Mr. Thebodo, Assistant Director who have helped our band to be so successful.

The band has been and will continue to be one of A.H.S.'s most active and attractive student activities.

## BOYS' GLEE CLUB

During the school year, rich and hearty sounds coming from Room M-1 meant that the Boys' Glee Club was rehearsing. This year the male leads and the entire chorus of gondoliers for the Gilbert and Sullivan show "The Gondoliers" were selected from the Boys' Glee Club.

In addition, the exchange concert programs provided the group with an opportunity to perform with the mixed chorus. The activities of the entire year provided the members of the Boys' Glee Club with several enjoyable experiences.

## GILBERT & SULLIVAN

The Gilbert and Sullivan Club is one of the most popular organizations in Arlington High School. Under the skilled direction of Mr. L. Hassler Einzig, the "G. & S." Club, as it is known to its members, presents an operetta each year. In our freshman year, the club presented "The Mockingbird." For a change in type, the sophomore year's production was "The Blue Star Revue of '62." Our junior year saw a return to the classic Gilbert and Sullivan operettas with a very successful presentation of "Iolanthe." The musical in our senior year was "The Gondoliers," another work by Gilbert and Sullivan.

As in the past, and as we hope it will be in the future, all the members of the "G. & S." Club benefit from participation in a public production. We are sure that many of us will look back upon the "G. & S." shows as experiences which we always enjoyed and will never forget.

## DANCE BAND

*Saxophones:* J. Baker, F. Battaglia, P. O'Leary, S. Pitchel, D. Ryan, P. Thayer, D. Woodford;  
*Trumpets:* P. Collins, A. Defrancesco, N. Duffy, N. Magliano, A. Sherburne, R. Traverse;  
*Drums:* C. Myatt, E. Sampson; *Trombone:* D. Brigham, J. Collins; *Guitar:* J. Hagopian; *Bass:* M. Kaczynski.

The dance band which rehearses during after-school hours, for obvious reasons, offers an opportunity for musical expression to those Arlington High School musicians who are enthusiastic about jazz.

The group has also entertained untold hundreds of students at various high schools as they performed in exchange concerts and in special programs at A.H.S.

The experience of playing authentic "big" band dance arrangements is a joy that the senior members will long remember.

Our gratitude and appreciation extends to Mr. Laman who has inspired and directed our group from its inception in 1960.

## HARMONETTES

The Harmonettes, a group that has become a tradition alone at Arlington High School for the last ten years, is a group of hard-working girls who perform at school functions as well as at women's clubs, hospitals, dinners, and dances in Arlington and in surrounding communities. One of the most important occasions during the year is that of singing at the Arlington Rotary Club Christmas dinner.

Under the direction of Mr. Einzig, the girls meet once a week in school to rehearse and perfect their repertoire. Try-outs for Harmonettes are held early each spring and are open to all girls who will be members of the Girls' Choir during the following year.

*Row 1:* I. Downs, *Accompanist;* A. Wharton, K. Balzer, M. Keating, C. Dowd, P. Morell, P. Macy. *Row 2:* L. Roghaar, J. Bellizia, S. Banks, J. Hutton. *Row 3:* J. Kimball, M. Blackmon, C. Berg, L. Holson.

# GIRLS' CHOIR

The Girls' Choir, organized in 1956, is made up of girls who have completed one year as members of the Girls' Glee Club. They meet twice a week, on Tuesdays and Thursdays during school time and are under the direction of Mr. McElhinney.

The Girls' Choir takes part in school assemblies and graduation. During the past six years, they have also sung in exchange concerts at Wakefield, Melrose, Natick, and Stoneham High Schools.

Always, the girls of this club have given their full support to the various musical programs presented at Arlington High School throughout the year, particularly to the Christmas Assembly.

The Girls' Choir has added greatly to the enjoyment of the school's activities by all the students, both to its own members and to those in their audiences.

# SAMETTES

The Samettes have become an outstanding addition to the Arlington High School Band and its half-time performances during the football season.

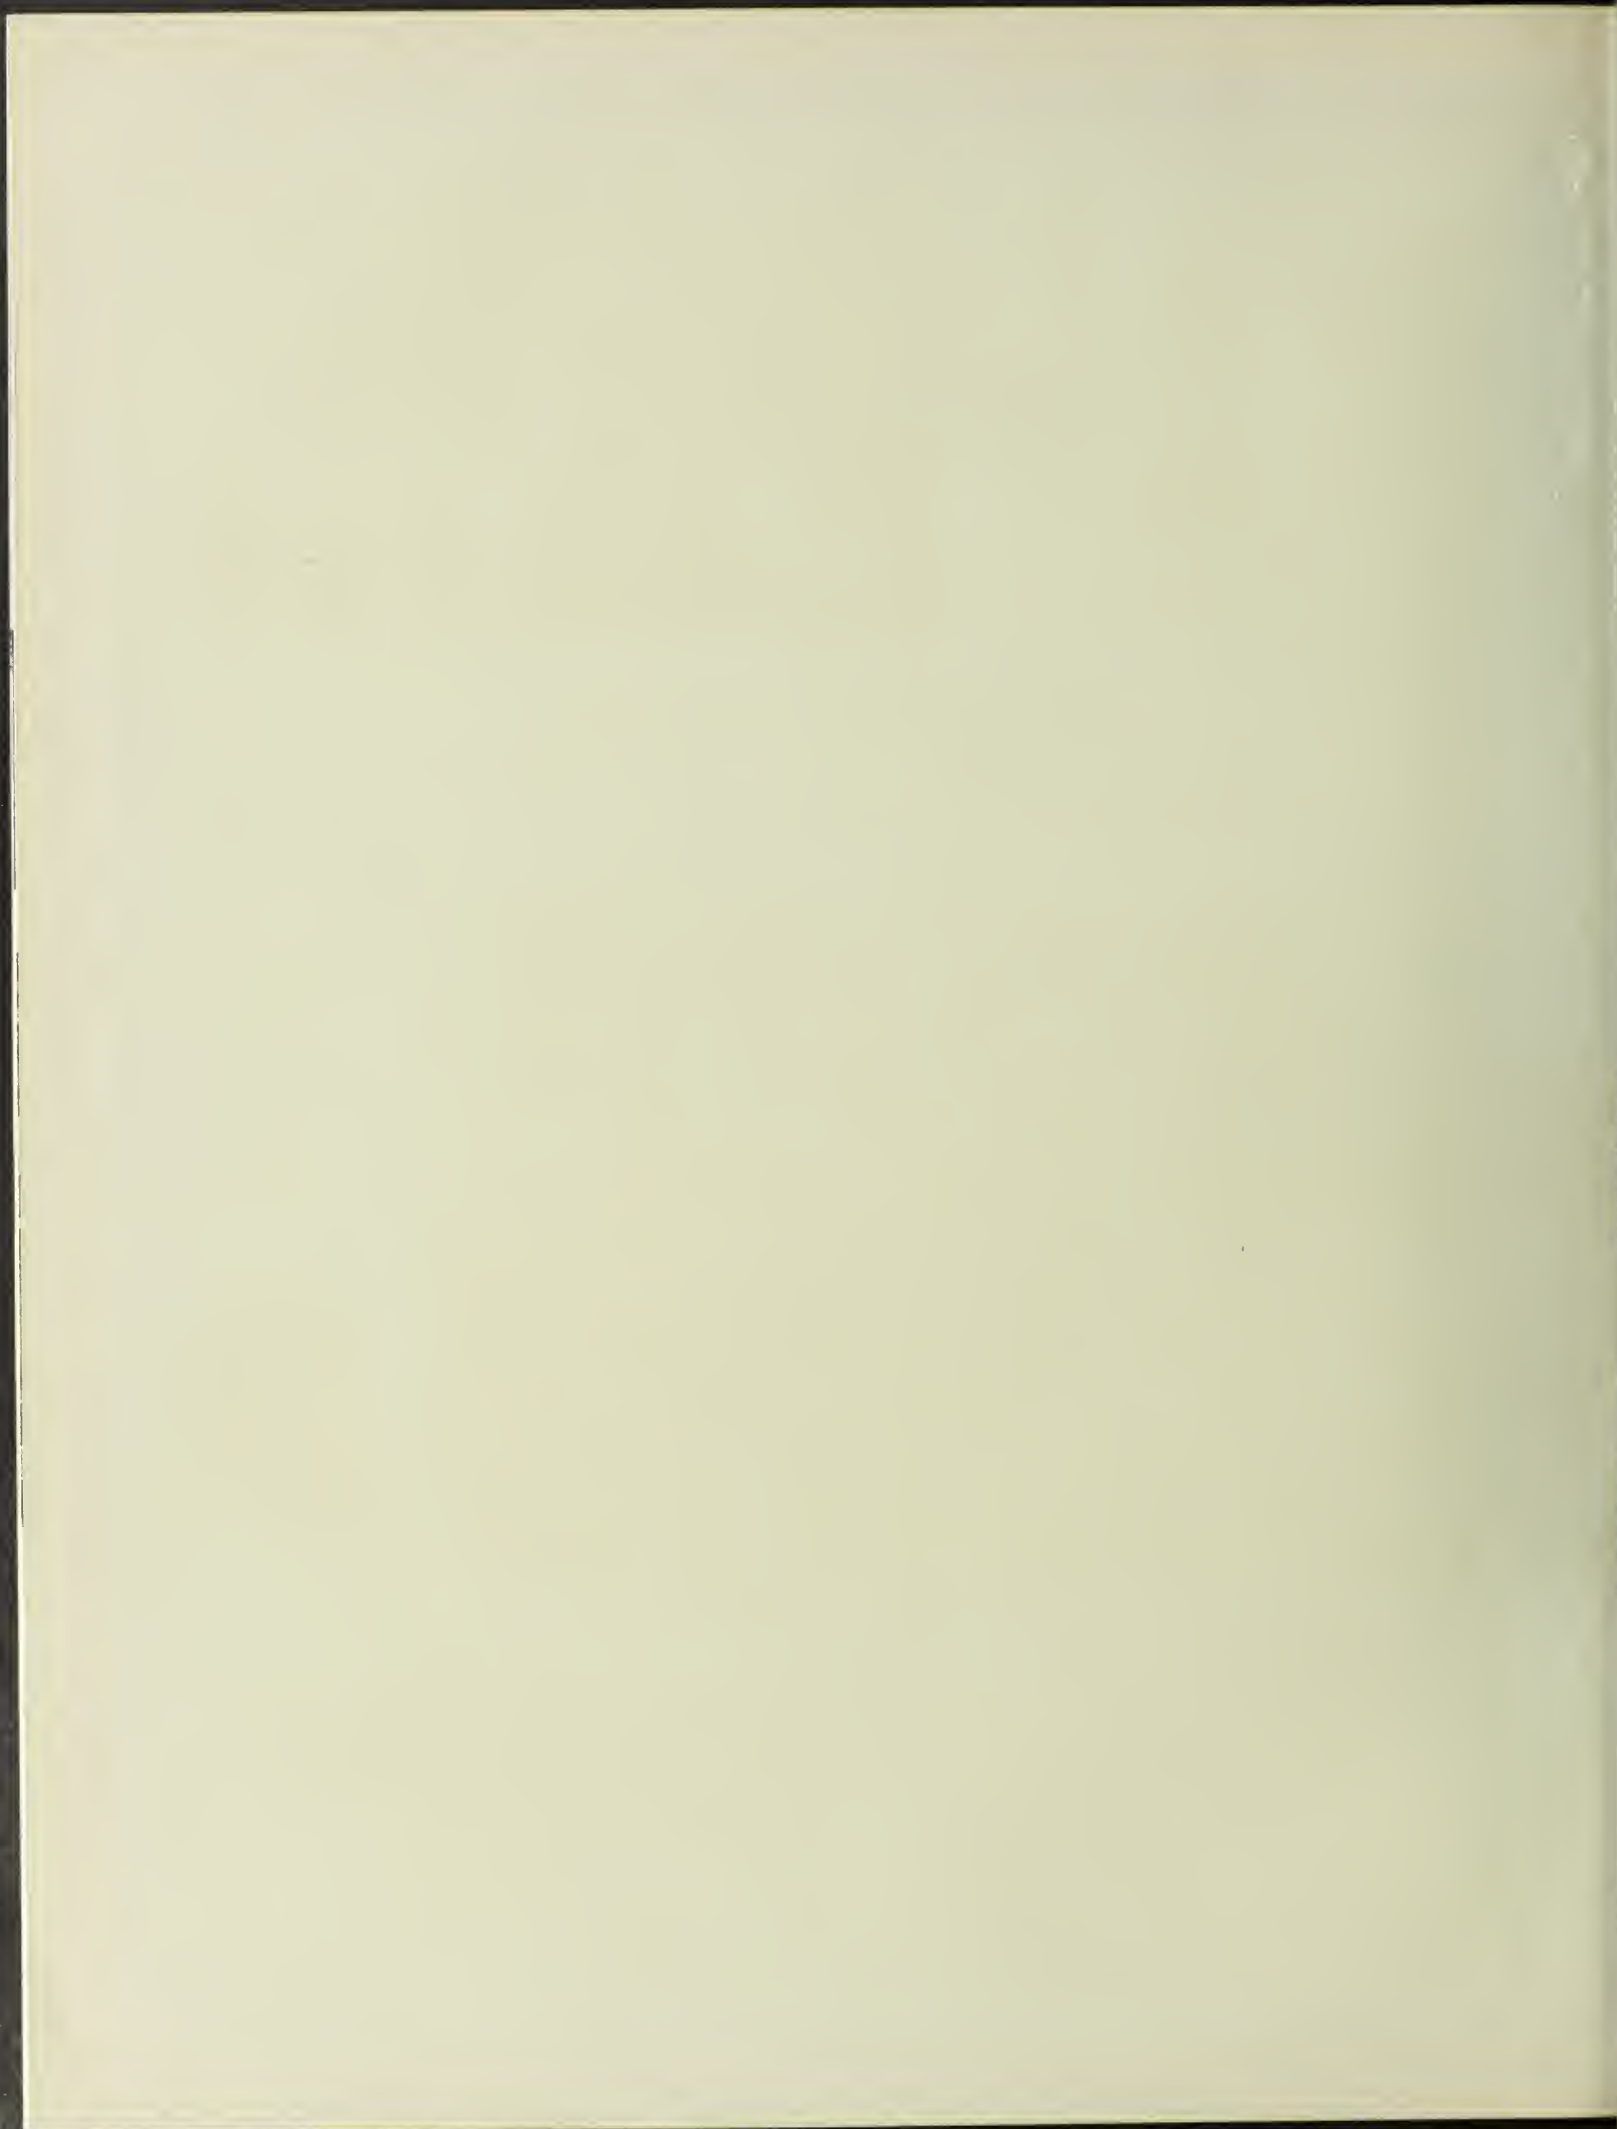

Student leaders—Judy Guiney, Marie Proulx, and Kathy Roper—worked hard in keeping the girls “in line” and in reviewing the intricate dance steps taught by their inspirational instructor Mrs. Bertagna.

The girls, along with their “Uncle Sam Hat,” have created exceptional routines which have stimulated interest and enthusiasm for the band and its colorful half-time presentations.

SPORTS

# MAJORETTES

The Majorettes, with grace and poise, add color and precision to the band and the seasonal half-time football shows. The routines, which require many hours of practice, involve the mastery of numerous twirling techniques to accompany several musical selections during each performance.

Under the student leadership of Patty Ferolito, the girls were invariably rewarded by much applause from the fans. Everyone has enjoyed the sparkle and vigor that the Majorettes have contributed to our football games.

Aided this year by two Harmonettes, the cheerleading squad of 1963-1964 developed a musical point of view. Practically all short cheers were transformed into harmonized tunes.

In addition to the singing squad and despite a number of casualties incurred during experiments with cartwheels and splits, all the members were faithful and successful in cheering Arlington High's basketball, football, and hockey teams on to victory.

Continuing tradition, the squad led memorable pep

rallies; the Thanksgiving one, in particular. At this gathering they, enthusiastically supported by the student body, inspired the football team to a 22-8 victory over Gloucester.

The cheerleaders of 1963-1964, however, not only sent teams to victory but also went themselves! For this was the first cheering squad from A.H.S. to enter any kind of competition—and to win a trophy as well.

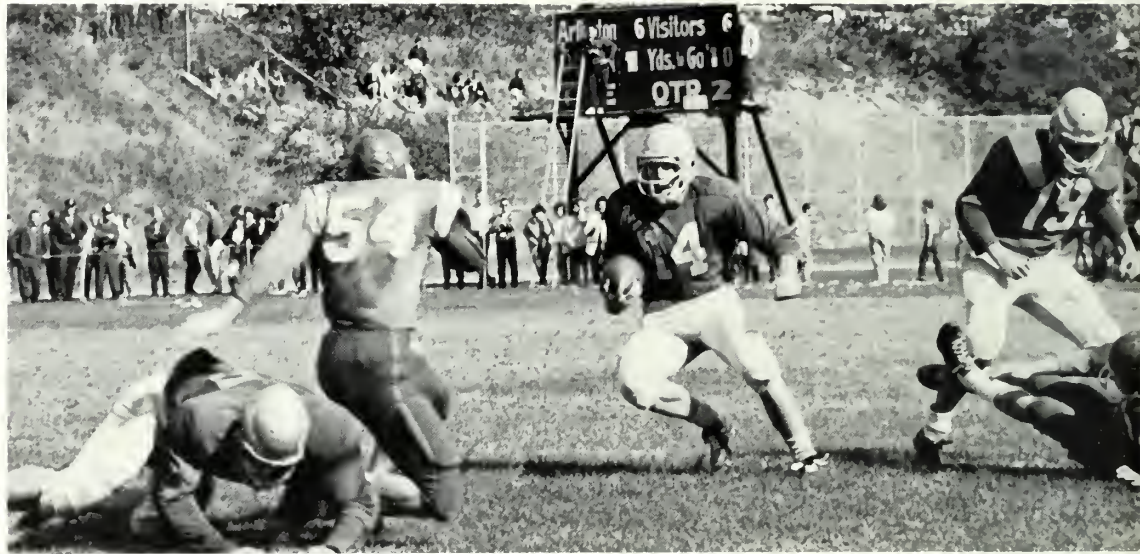

It was a wonderful year!!!

The 1963 football season was expected by most to be a poor one since there were only three returning lettermen from a league championship squad. Before the season even started, co-captain Carl DeMattio, an all star tackle, was lost to the squad because of illness.

As the season progressed, the squad was riddled with injuries suffered at intervals by the following players: Ronnie Brooks, Jimmy Leverone, Nick Piccolo, Bob Carr, Charlie Toner, and Roger DiStefano. Even with all these problems, the team had a successful season. The final record reads: four wins, three losses, and two ties. This seasonal record does not indicate the superior quality of the team.

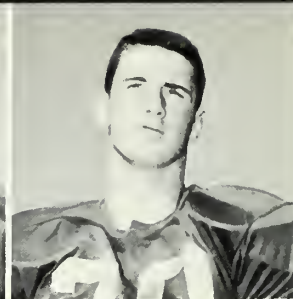

The squad lost the opening game by a score of 20 to 19 in the last minute of play. Its second loss came against Brockton by a score of 14 to 12 in the closing minutes of play. The third loss came at the hands of Everett, by a score of 14 to 0 though Arlington outplayed Everett in almost every phase of the game. This game was a crucial game since Everett outweighed Arlington by twenty pounds for each man.

In all the other games, Arlington either beat or tied a much more experienced foe. The climax of the season occurred against the class A champions, Weymouth, whom Arlington outplayed throughout the game and had one touchdown called back by Bill Morris; yet, the game ended in a tie: 0 to 0.

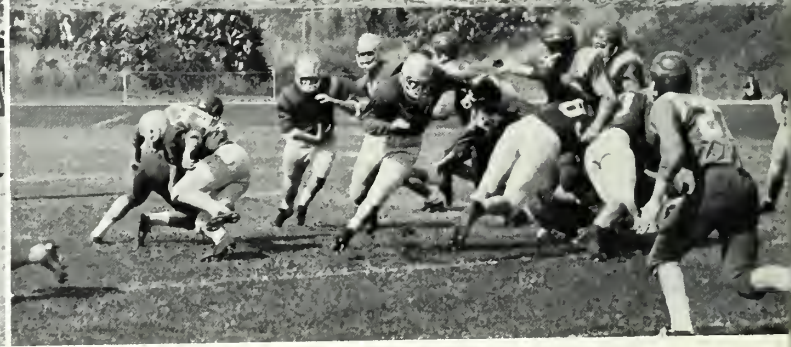

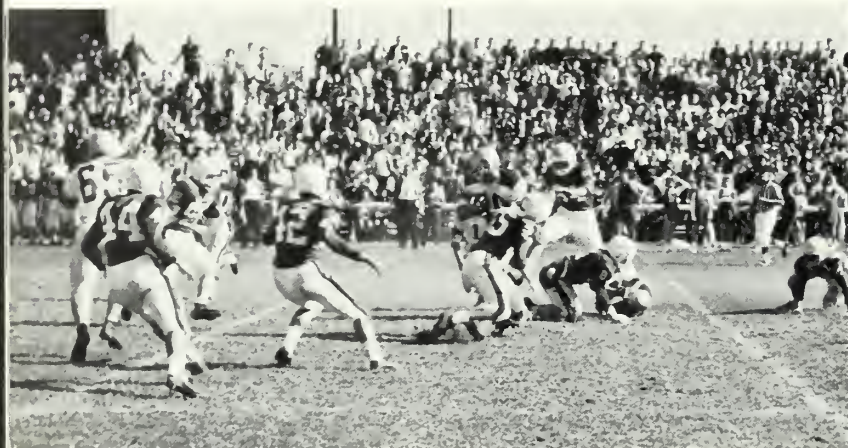

At the end of the season Bill Morris and Ed Egan were selected as members of every all-scholastic newspaper team. The other senior starters Bob Carr, Peter Gibbs, Ed Herlihy, Buddy Clarke, Nick Piccolo, Bob Shephard, and Gerald Urguhart should be very proud of a job well done on Arlington's football team.

## BASKETBALL

The 1963-1964 season saw the return of a number of veteran basketball players and the appearance of some new and promising ones.

Captain Peter Scully, a fine player and excellent leader, was the "backbone" of the team. Peter, a senior, was aided in the back court by Richie Sheehan, a junior. Richie is a fine scorer and dribbler who has been on the squad since his sophomore year. Also helping in the back court were Al. Sarnessian, a senior, and Bruce Hall, a junior.

Ray DeMaris was a welcome surprise at center. Ray, a 6'3" junior, was a newcomer to Arlington and is a bright prospect for next year. Ray was aided at center by Ed Prince, a senior, and Tom Quattrocchi, a sophomore.

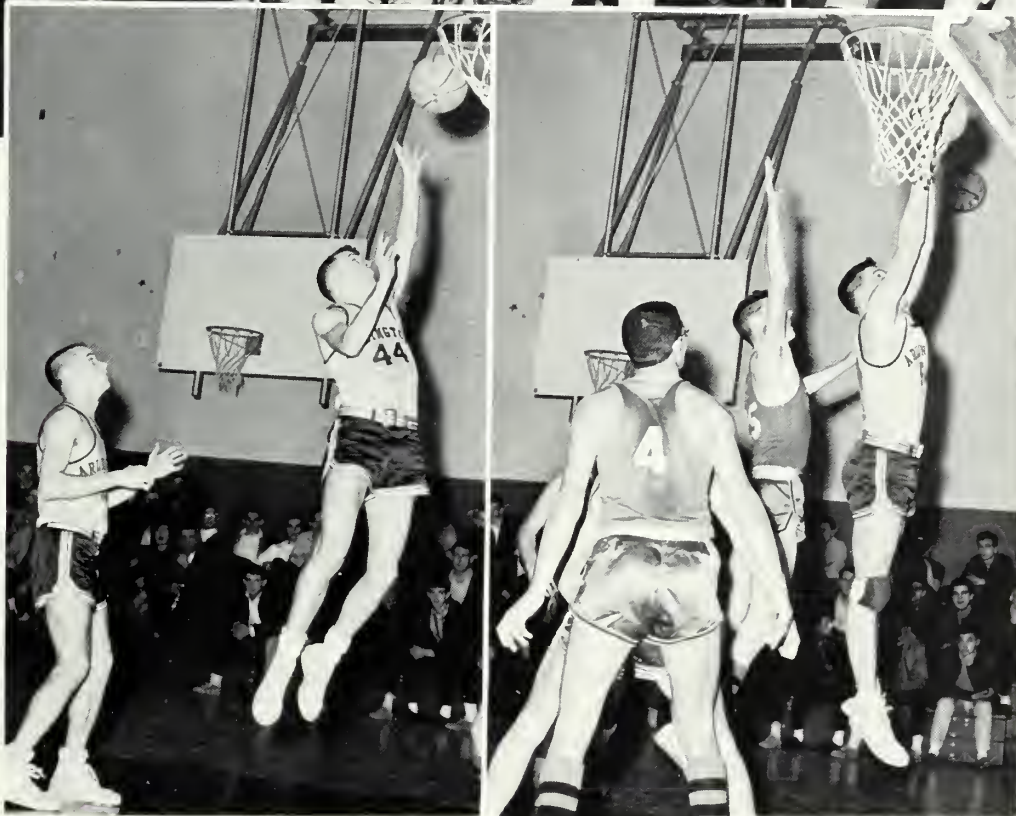

Billy Morris and Billy Green held down the forward positions. Both were seniors and fine rebounders and scorers. They were aided by seniors, Dave Harrington and Ken Basler and junior Steve Biciocchi.

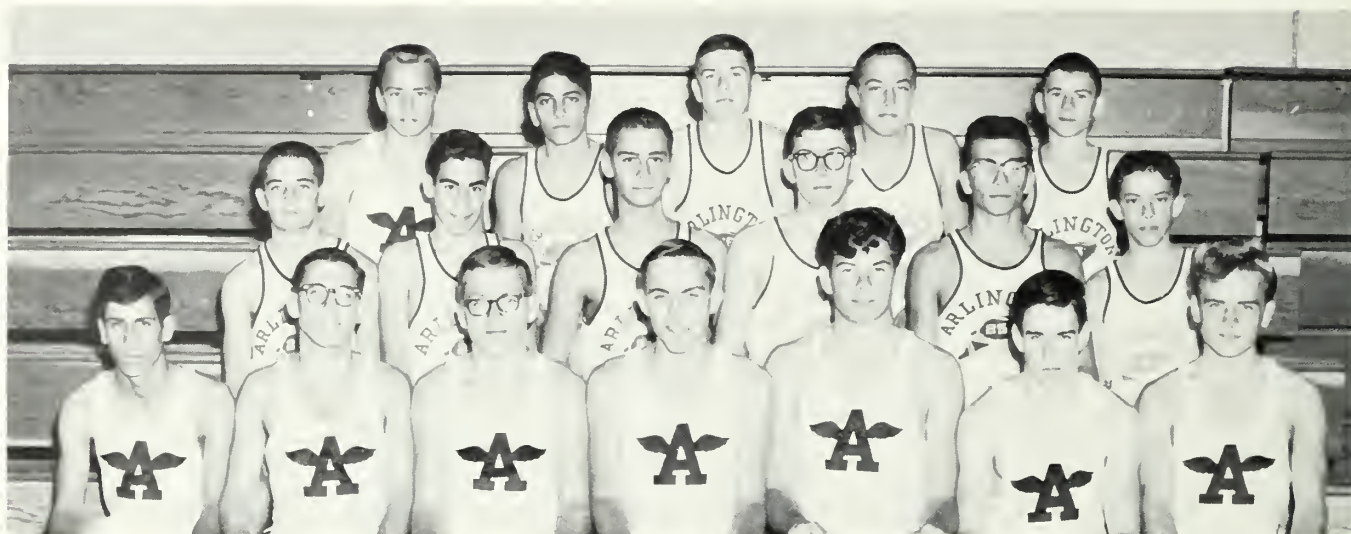

Arlington plays in a strong Suburban League with Rindge, Brockton, and Waltham the powerhouses of this year.

## CROSS COUNTRY

The Arlington High School Cross Country team this fall had a record of one win and four defeats. Although not too impressive a record, the team was indeed an inexperienced group that continued to show improvement as the season progressed.

Two sophomores who were our two most successful runners throughout the season are: Thomas Spengler and Richard McCarty. The team missed the services of John Coughlan who was injured and forced to be unable to participate during part of the season.

Juniors Stanley Powilaitis and Raymond DeMaris, along with sophomore Carmen Reppucci will form a nucleus of experienced boys for next season's team.

Running as seniors and earning a letter were also: Kent Eklund, Arthur Spector, and David Bergkuist.

In the League Championship meet at Newton, Thomas Spengler finished fourth and Richard McCarty, fifth out of a group of over sixty boys.

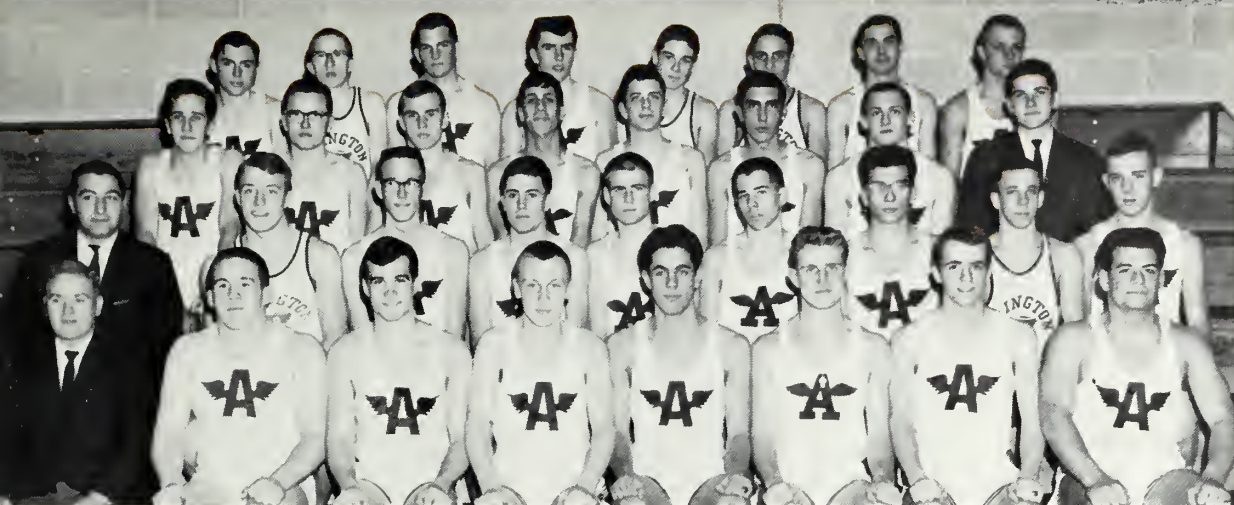

At the State Championship Cross Country meet Thomas Spengler finished 15th from a field of over 280 boys.

These two sophomores will indeed be excellent runners with additional experience and should prove to be listed among the top runners in the state for the next two seasons.

## INDOOR TRACK

The Arlington High School Indoor Track team had a record of two wins and five defeats this past season. This record is deceptive in that three of the five defeats were decided by a margin of two, five, and ten points.

Arlington had outstanding runners in Captain William D'Antuono and Thomas Spengler. Bill D'Antuono became the first Arlington dash man to qualify for the nationals in the past twelve years and young Tom Spengler, only a sophomore, placed third in the mile at the state meet. Since there are eleven returning lettermen for next season's team, the boys are hopeful of improving their record.

## HOCKEY

Row 1: R. DeCaprio, Co-Captains R. Carr, G. Clarke; L. Cappello. Row 2: Edward P. Burns, Coach; W. Langone, C. Toczykowski, E. Ronan, J. Smith, J. Deveau, P. Morse, P. Revel, T. Shaughnessy, Assistant Coach; John Byrne.

This year's hockey team won the G.B.I. Championship as was expected by most experts. In order to do so the team had to beat a great Newton team and a good Brookline team.

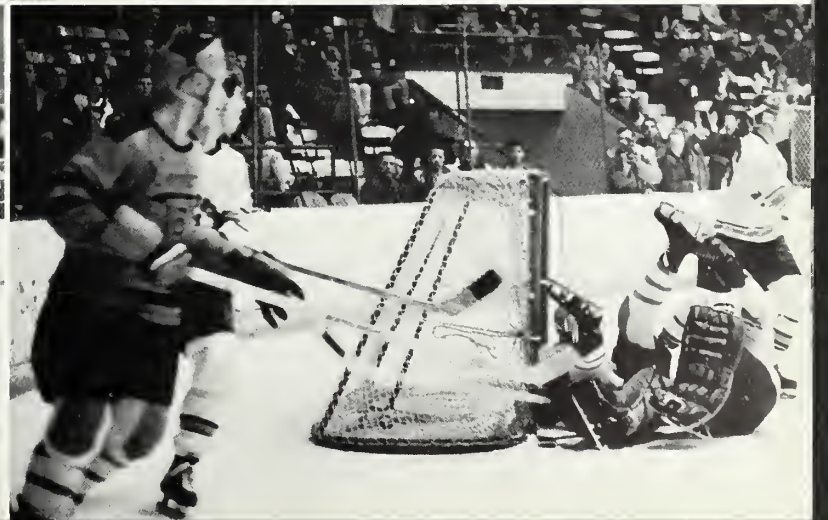

This team will go down in Arlington's glorious hockey history as one of its best. Led by co-captains Bob Carr and Buddy Clarke, the team scored sixty-five goals for, and only five goals against for a league record of 12-1-1. This team set an all time high school record for shutouts, blanking the opposition ten out of fourteen games. This was accomplished by two fast back checking lines, great defense work by Bob Carr and, of course, the great goal tending of Bill Langone. Another honor was bestowed upon the team by having Bob Carr being named as the most valuable player in the league. Four players were among the top ten in the league scoring race. Buddy Clarke and Charlie Toczykowski with twenty-five points each, Bob Carr with twenty-three points and John Deveau with eighteen points.

Four players made the all-league all-star team. Charlie Toczykowski at center, Buddy Clarke at wing, Bob Carr on defense, and Bill Langone in the nets.

The unsung heroes of the team were two seniors, Larry Cappello and Dick DeCaprio who made up the best second line in hockey. These are the boys that would lead Arlington on to win in the big games.

The hockey team now will enter the State Hockey Tournament as one of the best hockey teams in New England and the top favorite to win the title.

## GOLF CLUB

The 1964 A.H.S. golf team is looking forward to a very successful season. With many veterans returning from last year's squad, the prospects seem to be exceedingly favorable. Senior classmen who should play well include: captain Joe Smith, along with the players Peter Dormitzer, Steve Killourhy, John Noonan, and Bob Hannaford. The team will be strengthened tremendously by two fine players in the junior class, Charles Glennon and Richard Berberian. Kenneth Diskin who played such a fine game last year as a freshman should be the star of the A.H.S. squad this year. The strongest opposition in the Suburban League this year should come from Watertown and Waltham. The golf team should do credit to our high school.

P. Dormitzer, K. Diskin, R. Hannaford, J. Noonan, J. Smith, S. Killourhy, R. Berberian, C. Glennon.

## SKI CLUB

Helen E. Stockman, *Sponsor*; M. Shapiro, R. Herlihy, *Treasurer*; W. Springer, *President*; P. Santos, M. Scott, A. Craven, *Vice-President*.

During the fall of 1962 a new club was organized at Arlington High School. The Ski Club, formed by a group of enthusiastic skiers in the school, was organized to draw together students who are interested in skiing and who want to join with others in group trips and to learn more about the sport.

Last year the club was headed by a board of directors with Wayne Springer as president and Mrs. Stockman as faculty advisor. There were fifty active members who attended ski trips to Mt. Snow in Vermont during the Christmas vacation and to Mt. Sunapee in New Hampshire during the February vacation.

Although the Ski Club is a newly organized group, it will undoubtedly continue to be a successful activity because of the enthusiasm evinced by its members during the past year.

# FIELD HOCKEY

Row 1: B. Arena, R. Sedoff, M. Dobie, S. Dobie, S. Clarke, W. Meehan, *Captain*; B. Cole, P. Fitzgerald, J. Dumas, J. Rizzo, N. Whittaker. Row 2: A. Castellucci, *Manager*; S. Banks, P. The girls' field hockey team had its most successful start in many years since they won six in a row before bowing to Lexington and Winchester during the closing games of the schedule. Led by Captain Wendy Meehan and class-mate Sheila Dobie, the only seniors on this year's squad, the red and gray outscored their varsity opponents 16-6. The presence of seven juniors in the starting line-up indicates an even brighter season for the ensuing year if it's possible to better the well deserved record of 6 and 2 in '63.

High scorers for the season were: Susan Clarke, Pat Fitzgerald, and Barbara Arena with six, five, and four goals respectively. Outstanding on defense and instrumental in the record of six shut-outs were: goal keeper Judy Rizzo; full-backs Wendy Meehan and Nancy Whittaker; and half-backs Betsy Cole, Mary Ann Dobie, and Pixie Sedoff. Wings Sheila Dobie and Jayne Dumas did not score but played well on the Arlington forward line and set up many goals with their fine passing. Seniors Angela Castellucci and Mary Dannenberg complete the list of varsity letter winners and deserve much credit for their work throughout the season. As well as helping to handle all the manager's duties, Angela was called upon to play in one game and did so successfully.

## GIRLS' BASKETBALL

The girls' basketball team completed their '64 season with a record of 3 wins and 5 losses. Although this indicates a losing season the team had a good finish when it defeated Lexington 33-21 to close out the campaign. The offense that had been missing all season finally came to life as Wendy Meehan led the scoring. Susan Buckley and Angela Castellucci also turned in some fine games in their final basketball season at A.H.S. Captain Barbara Arena was high scorer for the season and leading playmaker along with Susan Clarke. Outstanding on defense, which was the only real strong point of this team, were Wendy Meehan, Sandy Banks, and Mary Ann Dobie.

The junior varsity team, led by Captain Judy Rizzo, started with a bang winning four of their first five games. At least five members of this unit should be able to lend some support to the varsity team of '65. Ann Clark, Pat Fitzgerald, Judy Rizzo, Barbara Govoni, Betty Farinosa, and Susan Stiles all played well on the "jayvee" team and might provide the spark for an undefeated season next year.

# SCIENCE CLUB

The Arlington High Senior High Science Club presented its fifth annual science fair on March 5 and 6.

The fair was comprised of 12 projects and 3 demonstrations and was well attended by both students and the public.

The winners were: Ann Ottoson, first; George Smith, second; William Holland, third; David Raja and James Fratello, honorable mention. The top three winners then went on to compete in The Greater Boston Regional Science Fair and The Massachusetts State Science Fair.

William Holland and George Smith won third awards at both the regional and state fairs; a fine showing for A.H.S.

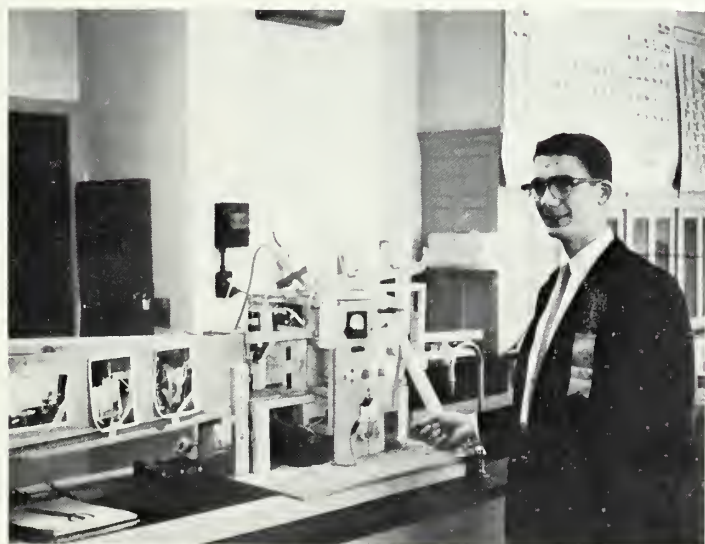

In addition to the science fair, the club has continued to operate its own weather station as well as making field trips to plants and industries in the area.

## TOUCHDOWN CLUB

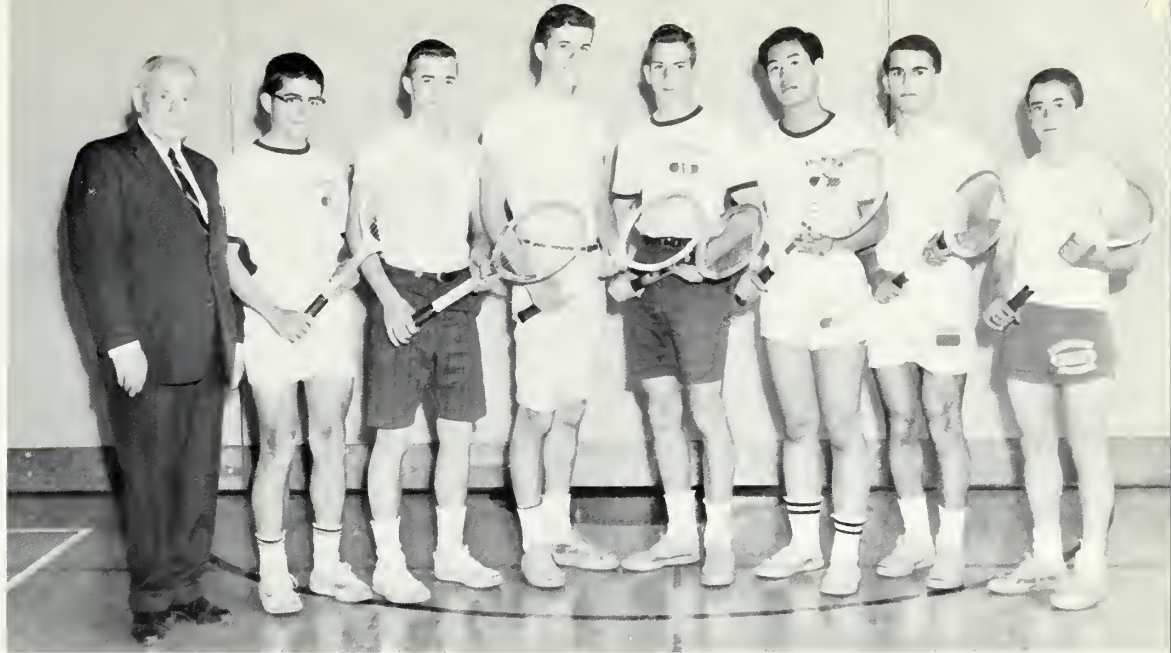

The Touchdown Club held its annual Frederick V. Ostergren Memorial Dinner at the Town Hall on May 14, 1964. Approximately two hundred boys and girls from the high school varsity athletic teams plus the musical groups and the cheerleaders were honored.

The 1964 Recipients of the Memorial awards given to the outstanding boy and girl athletes of the senior class were Wendy Meehan and Robert Carr.

The members of the boys' varsity football, hockey and basketball teams received Arlington Touchdown Club championship trophies for winning league championships.

# TENNIS

Mr. H. Russell Albro, *Coach*; M. Langer, R. Bowlby, K. Coffey, J. Hodgdon, *Captain*; M. Jay, A. Asadorian, S. Venti.

This year's tennis team had three returning letter-men. The team won six and lost two. Both games lost were to a strong team from Winthrop. On the team all season, our second doubles, played by Steven Venti who is a junior and David Kreuz a sophomore, contributed strongly; they were undefeated all season. There was a strong team this year, and with the return of five letter-men there will be a stronger team next

season. The players this year have been: among the seniors, *Captain*, James Hodgdon, Richard Hatch, John Lind, and Roger Bowlby; among the juniors Milton Jay, Martin Langer, Steven Venti, and Bruce Hall; among the sophomores David Kretz and Kevin Coffey.

Row 1: Linda Roghaar, Judith Conley, Joanne Galvin, *Captain*; Gail Brown, Nancy Whittaker. Row 2: Frances Craig, Diana Wilkinson, Cynthia Hamilton, Nancy Jacobsen, Evelyn Smith, *Manager*.

## BASEBALL

The Arlington High baseball team captained by William Morris and Robert Carr won eight and lost ten to finish fifth in the Suburban League. The squad loses W. Morris, R. Carr, T. Teehan, J. Leverone, P. Scully, and W. Green through graduation. Returning members of the squad are: S. Murphy, R. Leverone, R. Sheehan, R. Jorgensen, C. Toczowski, J. Donahue, E. St. Onge, E. Brech, M. Walsh, A. Healy, and J. Casazza. From the junior varsity such prospects as R. Sardeletti, J. Morse, R. McKinnon, M. O'Leary, and M. Whitney should provide a good nucleus for the baseball team of 1965.

## OUTDOOR TRACK

The Arlington High School Spring Track Team had a final record of one win and four losses in league competition and yet still had several boys turning in fine performances.

On May 24, 1964, at Waltham in the Suburban Championship Meet the following boys won medals: Bill D'Antuono, 1st place in the 100 yd. dash; Bob Fisher, 4th place in the 440 yd. run; Tom Spengler, 2nd place in the 1 mile run; John Coughlan, 4th place in the 2 mile run; Libby Di Stefano, 5th place in the Shot; Carl De Matteo, 4th place in the Shot; Ray Demarais, 1st place in the Discus and 2nd place in the 120 yd. Low hurdles.

At White Stadium on Memorial Day, Libby Di-Stefano placed 3rd in the Class "A" Shot; Ray Demarais placed 2nd in the Class "A" Discus; and Bill D'Antuono placed 4th in the Class A "100 yd. dash." All three boys will now return to White Stadium for the State Championship; and, if successful in winning a medal, they will represent the state of Massachusetts at the New England Meet on June 13, 1964, at Brown University in Rhode Island.

## SOFTBALL

The softball team reversed the record of the field hockey team as it lost the first two games on the schedule and then in playing the final six games hit double figures in every game. Concord held the A. H. S. "nine" to two hits for the first six innings while scoring 6 runs on 5 hits for an insurmountable lead. Lexington trailed at the end of every inning; but in the sixth, when they put together 5 hits for 5 runs, they won by a score of 10 to 6. Four costly errors proved to be the difference as Arlington lost their second straight game.

Victories over Cambridge, Malden, Newton, Melrose, Belmont, and Winchester in the final games proved that the girls did not let up after an uncertain start. Co-captains Susan Buckley and Pat Mahoney handled the battery chores with help from Michelle Kaczynski and Roberta Mahoney. Outfielders Ann Craven, Angela Castellucci, and Wendy Meehan will be among the six seniors lost to the team by graduation. Coming back for what should be a good season in '65 will be Susan Clarke, leading batter with a .533 average; Barbara Arena, Pat Fitzgerald, and Judy Rizzo. Freshmen Betty Farinosa and Jane Whitney shared the duty in center field and should be improved for the next campaign with one year of varsity experience in softball behind them.

# BOWLING

The newly formed "Arlington High School Co-Ed Ten Pin Bowling League" had a very successful first year. With their co-sponsors, Mrs. Fiorenza and Mr. Prusik, a membership of 16 girls and 15 boys met once a week at the Turnpike Bowladrome. With the help of Paul O'Connell, from the Turnpike Bowladrome everyone's skills and scores improved.

Since 10-pin bowling has increased in popularity and become a national form of recreation for young and old, we hope many more will join in the years to come. The activity offers anyone a chance to learn a good skill, have fun, and win trophies.

This year's winners were:

*Winning Team:* Marie Beninati and Allen Ticehurst

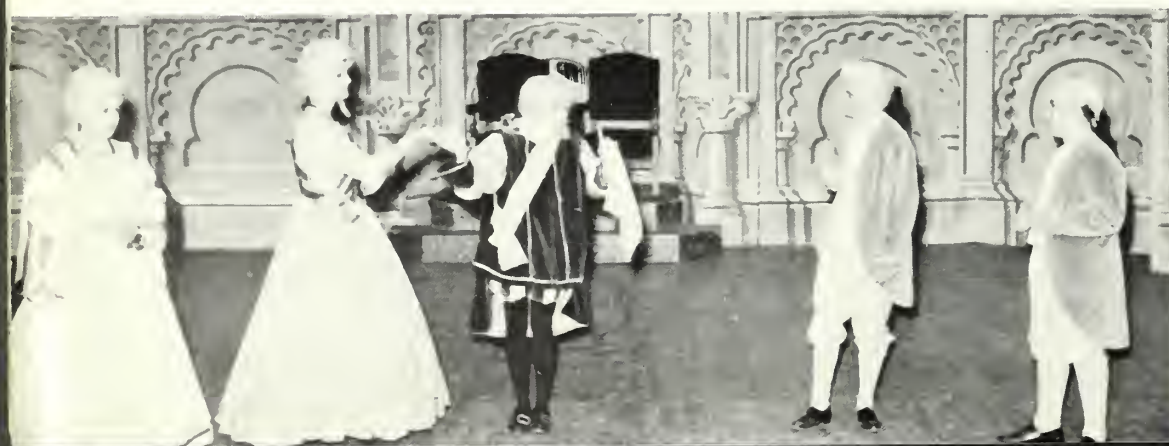

*High Single: Girls,* Marion Mattola; *Boys,* Paul Landry

*High Average: Girls,* Marie Beninati; *Boys,* Paul Landry

The season closed with a "roll-off" which was won by Margaret Cobet and Paul Landry.
